

Social Skills Saturday

March 2, 9, 30
April 6, 13, and
20, 2019

Get together and have some fun

Guided social skill development in the context of games, building creations, conversations and making plans together. Led by speech pathologist(s). Group is customized for the age and interests of the participants.

This spring we we offer a six session group for 8-12 yr olds

2:30 - 4:00 group

4:00 - 4:15 parents

Cost : \$ 720

Early Bird \$ 650

1

FRIENDSHIP SKILLS

Learn, discuss and practice with peers

2

PARENT INFO

Provided after each session

3

HOME ACTIVITIES

Ideas how to practice at home between sessions

Please call Susan for details of the skills we will be targeting. Before registering she will have an individual consultation with you to discuss your child's particular interests and the skills you hope they will learn and practice. The best way to learn is when you're having fun. Let's connect some kids up to make a group.

Early Bird rate applies to registration received before Feb 28, 2019

Let's get social.
